

### COST/INSURANCE PLANS

Arizona Oncology Services understands that patients and their families have many questions about insurance and financial arrangements. We want to make it easy for our patients to focus on regaining their health by being available at any time to answer questions and resolve problems. Patients can call any center or 602-274-4484 and arrange a time to speak with Financial Counseling.

Arizona Oncology Services participates with most insurance plans, and our lists are updated continually. Please check with our office if there are any questions about coverage. Among others, we participate with:

- |                                      |  |
|--------------------------------------|--|
